PARENT TESTIMONIALS

WHAT HBGA ORLANDO PARENTS ARE SAYING

My sixteen-year-old daughter attended the Henry Brunton Academy Orlando in the Spring of 2022 for three months from Ireland. Throughout the whole engagement with the academy from enquiry to attendance and follow up since, Henry, Rhonda and all the Coaches at the HBA have been just fantastic. The academy delivered in every way it said it would and in so many other ways also. Our daughter improved ten-fold as an athlete but also and most importantly as a person through the structured and nurturing environment at the academy.

We cannot recommend the academy, Henry, Rhonda, and their staff, highly enough and I guess the best endorsement I can give it is that our second daughter will be attending in the Spring of 2024.

Enda Lonergan

County Mayo, Ireland

“Henry Brunton's Florida Academy is fantastic. It has given my boys the best opportunity to develop and excel. Being able to work on their games in the winter months enabled my son to get a DI Scholarship. Henry has great knowledge and connections to help your son or daughter find the right path to succeed. ”
