

More Maple Leaf Junior Golf Tour Feedback and Testimonials!

Thanks again for everything Trent...always well run and you guys are an inspiration for junior golf, continued appreciation to you/your team and especially Louis.

Thanks for MJT to organize this annual event for Juniors from all over Canada to meet and play together! Thanks for your team's effort!

Awesome event and look forward to next year - both for this event and in general.

We had a wonderful time in Orlando... it was a great experience for Felix.

First of all, thank you for all of those of you at Maple Leaf for putting on these type of events as well as the entire summer tournament listing. Noah has enjoyed it immensely since he started playing in the events. I have been with him at all the events in summer and they are run as a first-class event. My thanks to Garth and Ed for running great tournaments here in Manitoba.

Thanks for another great MJT event!!! First class all the way.

Heather had a wonderful time. It was wonderful for them to travel as a team and have Jeff MacDonald there. I hope NS keeps going like this in the future. Thank you MJT!

Thanks again for a great year from the MJT staff, I will come back stronger physically next.

Good day Trent, this year's event was a good time and thanks for having us.

Firstly, thank you very much for a great event! Up to date, it is the best, high calibre event I have ever played in! I was very impressed with the event, and the hard work you and the other workers put into this event for it to be a memorable experience!

Thanks Trent - this was our first experience with the National Championship and we really enjoyed it.

...Just a quick thank you and congratulations to your team for organizing an amazing tournament in Florida! I used to organize numerous large scale annual events, including a golf tournament, so I know the level of detail required to pull off an event like this. If there were bumps in the road (which there usually are!!), you didn't notice. We were so pleased with the level of communication with the families, polished and smooth running weekend agenda and the incredible corporate sponsorship. We are so pleased that we joined the MJT this year and look forward to participating again in 2018.

Sorry for the slow response and thanks so much for putting on such a great tournament. ..

Keep doing what you're doing. Last 2 years have been an absolute blast!

Ashley had a wonderful weekend with memories to last a lifetime.. meeting Lydia Ko, getting her picture taken with her and practicing next to her she couldn't stop talking about.. she wore the hat Lydia autographed after round 1 on the final day when she shot her best score ever....

Amazing people!!! Thanks for doing what you do!!

Thank you for all the work and effort that went into the Florida event. It was really a great turn out and experience and I am really pleased for Brandon that he had that opportunity. More fond memories of the MJT tour for us:) That was a very nice presentation today at the MJT tent. I love the speakers you get for these. Very inspirational and fitting for these players to hear and timely...just before competition. Thank you again for the Dylan Reichelt Award and BC Order of Merit. What an absolute privilege to receive and be a part of the MJT tour. Hope to see you at this event in the next few days. Would love to say hello again.

Good Evening Trent, how are you doing? I've been busy with all the school works I missed recently and had no time to talk to you and thank you for hosting such a great tournament. I had a lot of fun while I was down there. I have already told you multiple times already, but I going down to Chicago to visit NIU soon. Once again, thank you for all the support and for hosting this great tournament.

Thanks Trent really looking forward to this trip. Can't say enough for what you folks do for these kids on this tour. MF/NS

Hello Ms. Dodd, I am beyond thrilled with this award. I just finished golf practice when I received your email. Thank you so much for this honour. I can't tell you how much this means to me. NS/ON

It is a great honour to receive this scholarship. The MJT does so much for junior golf across the country and in our province, I'm so glad I can be a part of it. Many great golfers have received this scholarship and it's incredible just to be associated with them. Thanks for everything you do! JK/SK

The MJT runs the best tournaments in Canada. Also, everyone who plays MJT are fantastic to play with. RL/BC

Hey Trent, I just got home yesterday from the Australia trip with the MJT and wanted to thank you and the MJT for giving me such an amazing opportunity. I was able to make new friends, play golf in a different country, and explore a completely different and beautiful landscape. It was a trip I will not soon forget and would not have been possible without you or the MJT. Huge thanks. RD/ON

I choose to play the MJT because of the fantastic staff and competitors that help make each tournament special. RL/BC

Dear Jeff, I wanted to thank you on behalf of my husband and I for making R's experience in Australia such a memorable one. Thank you for your being an excellent parental figure for these young adults and for your commitment to youth in golf. The game has been a tremendously important part of both of our sons lives and teaches them so many valuable skills that they will carry through their lives; thank you for your part in this. TO/ON

Hi Dave, I wanted to thank you and everyone that helped out at all the MJT events this year.....I know a lot of work goes into organizing such events and everyone was always encouraging and supportive and as parents we really appreciated it. TI/ON

MJT provides me with a lot of opportunities both scholastically and in golf. I've made some great friends. KL/BC

Hi Dave, it's always a pleasure to be involved in such a great event like the MJT. You and Trent do a fantastic job for all of the players, which is why Freedom 55 is proud to sponsor you guys! Look forward to next year. SB/Freedom 55 Financial

It's just awesome that the MJT tour does this!! Thank you very much for all you people do!! MF/SK

We very much appreciate the Maple Leaf Junior Tour and all the things you do to develop young players, the tour was definitely a catapult for Joey at a critical stage in his Junior Golf Career. MH/ON

It was a very well-run event with very nice people. CG/AB

I choose to play the MJT because it's always so much fun and they have such amazing sponsors. The volunteers are so amazing as well. It is also great exposure for college. AC/ON

MJT always has the great motivation to my game. Great prizes, very organized tournaments and kind and supportive operators. EB/ON

Ryan is very proud to be junior member of MJT, he played lots MJT tournaments before, and this IMG qualified spot was also from MJT, thanks for all the support to junior golfers..... JR/BC

I chose to play MJT because I feel that this organization helps young golfers such as myself to learn to play under pressure..... BZ/BC

I would like you to know that this was a great experience golfing here. Everybody was very nice and friendly...course employees and all MJT workers/volunteers..... SM/MB

Thanks for a great 3 days at Mackenzie Meadows. Both Georgia and Quincy had a great tournament..... CB/AB

He is really enjoying playing on the tour and being treated so well. You folks do an amazing job making all the players feel like pro's!..... DS/SK

Thank you so very much for all your hard work and time organizing this clinic with Adam Hadwin for us junior golfers. It was so cool to meet Adam Hadwin, and I am very grateful for the opportunity to be one of the juniors to come out to this clinic. I liked that it was a small group of us junior golfers because then we got the chance to ask questions, and be able to hear all the great advice that Adam was giving us about how to pursue our goals and stay passionate about what we believe in. I really like that he was so nice and patient to take the time to sign autographs and have us take photos with him!! Everything he said about working hard and practicing with focus and purpose was such good advice and I really remembered that and I hope to be able to put that thinking into my own golf practice. Thank you very, very much again Chris, the MJT team....and Adam Hadwin! It was such an honour to meet him.....
NS/BC

Thanks again for another great season of golf. MJT is the best run tour we play on.....
MC/BC

I learned a lot this weekend! It was a great experience getting to meet someone with so much knowledge of the game. I learned a lot about the mental attributes of golf, alongside the training involved. The MJT has provided me with many learning opportunities and experiences this year, including this awesome clinic..... ZH/BC

Hey Trent. I just wanted to say thanks for making it such an amazing trip and experience for all of us. I know it takes a crazy amount of time creating and organizing an event like this. I really enjoyed the team format of the event because it is something that we don't get to play very often and we can rarely represent our country. We also really appreciated you driving us around, taking care of our meals, taking us out for late night burgers and giving us the freedom to do what we wanted around the resort. Again you made this a really great experience for all of us and it's a week that I'll never forget! Thanks a million!BR/ON

B had such a wonderful time in Finland playing for Canada. The shirts and jacket are now some of his favourites, and as soon as he saw the bag he said "This bag is sick!" High praise indeed. The boys looked great. Thank you to TuGo for sponsoring them. These events couldn't happen without significant sponsorship and we all appreciate it immensely.....
RL/ON

Thanks for inviting me to the Adam Hadwin clinic! I had a great time and learned a lot from Adam. The clinic was super-fun and I hope that MJT will do this again..... BZ/BC

Thought the Adam Hadwin Clinic was absolutely awesome. The size of the group was perfect and really made the event first class. It's pretty amazing to hear first hand from someone at that level. Many of his thoughts I think are echoed to the kids from coaches and parents time to time but to hear it from a pro such as Adam really drives it home. Again great job can really only say positive things about the event. Hopefully you will do more of them and we can attend more of them..... CA/BC

MJT is an amazing golf tour; their events are very well run, and the people associated with MJT are great! MJT was there when M started out in golf and has been a huge factor in M receiving a golf scholarship and playing golf at the collegiate level. We think it is great that you have added a collegiate level and M hopes to play in a few tournaments next year when he is home for the summer. We met a lot of great kids and families through MJT and look forward to reading about their success in the future with MJT. Thank you again..... KT/BC

I wanted to thank you for everything that you have done for me over the years. Like I have said before, I would not have had the opportunity to play collegiate golf in Tennessee if it wasn't for your guidance and expertise. Without you and the MJT tour, I would not have the proper mindset for competitive golf. I learned how to deal with pressure and I have been able to apply that to the collegiate level successfully. The experiences that had with the MJT tour are truly unforgettable and I hope that it continues to breed excellent golfers and really expand the junior golf program globally. DW/AB

The kids and I got a bit emotional saying goodbye to you all. We all had a week that we will never forget. Thank you and all of your staff for everything that you have did for us and I look forward to staying in touch and hopefully seeing you twice next year..... LG/AB

I can't say enough how much we appreciate your work with the MJT; we go out of our way to support your events over others. Your support of S on and off the golf course does not go unnoticed and it is because of this that she has become the player she is today..... CN/AB

Thanks for another great year again, you and your team do a great job with the tournaments they are run top-notch..... BS/AB

We truly appreciate the MJT and all of you that help run the tournaments and organization..... JP/AB

My experience at the Nordic Junior Team Matches was unreal. The golf courses we played, and facilities we has access to, surpassed my expectations. All the activities we did off the course were a great time to bond and get to know the other teams. Acting as tourists on the last day put a nice ending to what was definitely a trip of a lifetime. Thanks again Trent for all you did to make this trip happen..... CH/AB

I choose to play MJT because it's the best tour in Canada..... JB/BC

Brady has played with MJT for several years now. He has always enjoyed playing golf with this organization. ...EB, AB

Thanks, Trent. We will let you know our decision within the next few days. PS You have a great MJT team running the events in Ontario! Take care. J, ON

I just wanted to apologize for Charlie missing the Awards Ceremony for his age group in Red Deer on the weekend. We were visiting with family there and had a dinner to attend. When Charlie heard that he had won an award, he felt especially badly about missing. Thanks for another great tournament,... KB, SK

Dave - It was great meeting you this weekend! You and your staff did an awesome job running the event, I only heard good comments from parents and spectators. I'm hopeful Craigowan can host another event next season. Again, it was great meeting you, and all the best for the remainder of the season! Cheers, Tim B, PGA, Director of Golf Operations, Craigowan GC

We were at the River Bend Event in Red Deer this weekend. It was my daughters first MJT event and she really enjoyed her experience. The event was extremely well run and organized. I was wondering if I could be given Trent's contact information as I have some questions for him about jr. golf in general and he had mentioned contacting him. Thanks.... (AB)

I just wanted to reach out and say thanks to the team at MJT Alberta for this last weekend and really for the two events my son has played in so far this year. I don't have Trent's contact information or I would have reached out to him directly, I'm hoping someone can forward on my behalf or at least pass on my thanks... (AB)

My son, Matt, is late to the game as he's 14 turning 15 in July and is only in his second year playing with regularity and his first season really playing any competitive golf (other than a couple of one day events last year) ... he nonetheless wants to compete. Both events he's attended have proven challenging on day one but he's settled in on day two and played much better. I think he's managed to settle in because even though he's clearly a high handicapper in his age bracket, he doesn't feel like he is unwelcome even when the guys around him are shooting rounds in the 70's compared to his 112 on day 1 (ouch) followed by a 94 on day two. I think that sense of making things competitive but not unwelcoming is very important when a kid is late to the game but has the interest –it's good for the player and I think it's good for the game. I appreciate what you're doing for the kids, I personally love the game and I think it's great if we can keep attracting players that want to compete. ...RP, AB

On another note, I have to say that we have loved being part of the MJT Tour this season. Both of my other children have played in tournaments at Hidden Lake and Rebel Creek. We are registered at Osprey Valley and will undoubtedly enter more. The tournaments are incredibly well run, the courses are great and the prizes are a bonus that the kids love. We also as parents love the messaging around the respect of the game and the spirit of courteous competition. It has been a very nice experience. Many of my children's teammates and friends have been playing the tour and the response has been unanimously positive.... JW (ON)

This is our first year at this. Jeff does a fantastic job, he is so good with the kids... BM, SK

Hello, .. Nicole participated in the event this weekend at Rebel Creek and had the low score for 12 year old girls. ..there were 8 girls form her team there - they had an amazing experience and Nicole said this was her favourite tournament thus far! Looking forward to many more. ...KG, ON

It's great to partner with such a first class organization. Jeff Speiran, Maui Jim Canada

Thank you for the prompt replies and excellent service. Very refreshing. You will definitely see Noah out on tour in the future....DC, ON

Thanks Elaine, I sent the e-mail to Jade and she is going to forward it to all the parents that brought the kids out for the great event. Still getting great feedback!! Cheers, Scott Blankley, General Manager, Chilliwack Ford.

Thank you for a great weekend in Lethbridge. Both J and R enjoyed their first experience with the MJT. SS, AB

The MJT is a great experience for future collegiate tournaments as I will be playing with the U of M Bisons in September. MN, MB

Unfortunately, Keenan can't play the Spring Invitational because he will still be Stateside at school... I can say however that he is loving Maryville U. which of course came through MJT's Recruit Yourself Program.....Again, thanks to yourself and everyone at MJT. J.F, BC

Hey Trent, Just want to say a huge thank you to you and all the staff at the Maple Leaf Junior tour for everything you guys have done for me over the years. From providing a competitive environment to grow as a player and a person, to giving me access to a recruiting program that has allowed me to go to a school that has taken my game to the next level. I couldn't believe my eyes when I saw that I was going to be getting a set of Miura irons. It's going to be a great

opportunity to play some amazing equipment. Thanks again for everything that the Maple Leaf Junior Tour has done for me..... J.W., SK.

I just read about the new Collegiate division with MJT. That is such a great addition to the MJT tour. I'm very excited for these junior golfers to be able to continue their passion and compete while in university or just out of high school. So many of them still love the competition but didn't have the chance to continue on as adults...Great decision for MJT!!! I'm thrilled that the program offers this for young adults! So awesome!.... M.C., BC

Dear MJT, Just wanted to update you on where I am currently playing golf while pursuing my education. I am a freshman at Drury University in Springfield, Missouri playing NCAA Division II golf. I was fortunate to have received both Academic and Athletic scholarships to assist with my education. I wouldn't have been able to achieve these goals without the quality of events, organization and competition that the MJT provided me with. I understand that the MJT will be conducting tournaments for college aged players in 2017. I am hoping I can fit some dates into my golf and summer work schedule..... R.R., AB.

Brett is very much looking forward to the season and we are planning on making all SK events that don't conflict with spring hockey.....as well as some Alberta ones. He's also convinced some of his Saskatoon friends to come and join MJT this year which speaks to his positive experience last year as an MJT rookie. Thanks for all your work and see you on the course!C.L., SK.

Thank you for your quick reply. Vanessa had a great 2016 season, and looking forward to another great 2017 season. We found MJT late season of 2016 and like the organization very much. We will register Vanessa more MJT tournaments this season.... Thank you kindly. T.L., ON.

I would like to sincerely thank you for the pamphlet you mailed to me. Every day I miss my boy who is in South Carolina doing what he loves to do, so, when I went to my mailbox and opened this pamphlet with his picture on it, it truly made my day. My summer will absolutely not be the same this year, Marc turns 19 in June. We will both miss all the good friends we met travelling with the MJT, and wish the new young recruits all the best. Thank you to an amazing group of people at MJT.B.S, SK.

To Murray, I appreciate you taking the time to write me a reference letter. This recommendation letter is going to go a long way to help me with my golf journey in Hawaii. I am humbled to have you write such a thoughtful letter as it will definitely make a difference in my scholarship applications. Lastly, it is awesome to have such a strong team behind me helping me reach my goal of becoming a professional golfer and with your help we can make this possible. I will be sure to keep you updated with how my journey is going in Hawaii!
Sincerely, E.M., BC.

Neil, Murray, Elaine, and Trent, I wanted to thank you for everything you've done on the MJT. The tour has provided me with great competition, and fun times. Every time I played, it was great to feel welcomed, and I learned a lot about sportsmanship as well. It was also a great experience to represent MJT in Junior Worlds, and compete in the national championship twice. You and all the staff are great! I plan to play in a few events this season. Hope to see everyone at the season opener. S.L., WA

Dear MJT, Thank you for your continued support over the years. I am grateful to have had the opportunity to grow on your tour. Happy Holidays, K.K., BC

Dear MJT, I would like to thank everyone at MJT for another incredible year. From the positive staff to the very well organized events. MJT has never failed to put a smile on my face and help me learn more about sportsmanship, positivity and myself than I ever could have. I wish everyone a very Happy Holiday (as you deserve it), and a wonderful New Year! Thank you, C.K., BC

..... I just wanted to email you about my current status with golf. I am currently playing golf at ACU..... I received an offer from them due to large part of my results in the 2015 summer on the MJT tour. ...I can't thank the MJT tour enough for all the opportunities they gave me succeed and progress through my time in junior golf. Thank you, MJ (AB)

Thanks very much for putting on excellent tournaments! We will see you next year on the course. C.M., AB

Thank you so much for offering me the Dylan Reichelt Memorial Award. I am very excited to receive such a special award! I have competed in several MJT tournaments this year and found them to be challenging and rewarding each and every time.... B.C.

..I just want to send you a personal thank you for B. receiving the Dylan Reichelt Memorial Award. He was more than thrilled to have the honour of this award. We really enjoyed the MJT events this year. It was his biggest year so far in competitions and he's truly grown through this golf program. It's so great to see that the kids can be recognized for all their hard work and efforts throughout the season. These kids are so fortunate to be part of the MJT organization. Each and every event has been so well organized. Your staff are amazing! It's what truly makes these events worthwhile. So, thank you again for all your work in making it happen for the kids all season! I'm so glad he's a part of it! ... M.C., BC

Trent - we wanted to share with you that Jeremie has recently signed with Valley City State University in North Dakota. He was offered a golf scholarship and some great academic scholarships. J.P., AB

Elaine - I really enjoy working with everyone. It's an awesome environment and Tour to be a part of. S.K., BC

We had a wonderful time at the event at Morgan Creek this past weekend, and it was an excellent introduction into the world of competitive golf with our son. He really enjoyed golfing with the other players, and as parents we were very impressed with the exceptional organization of the event. The organizing team was fantastic with the players, and with the parents! F.M., BC

Elaine - It's been both a pleasure and an honour to work with you and the MJT. J.H., ON

Great event, Trent. Thanks for hosting us. It's a long way but worth the drive. R.C., BC

Elaine - In addition to the junior development program, you are also the parent development program :) We are all really looking forward to the next event!! S.T., BC

Elaine & Murray, Thanks again for all the help getting the kids in the event. We had a great weekend. First class event again this week. L.W., AB

Dear Trent, With regards to my future, I have committed to High Point University in High Point, NC. I would like to thank you for your involvement with the MJT and all of the tournaments you have helped to organize. Without your hard work I don't think I would be able to attend university on a golf scholarship. Thanks again, B.M., AB

Trent- When you left our table that day, Berk turned to his mom and said, "if it wasn't for Trent I wouldn't be going to the US to play golf". I wanted to pass that along to you. You have an awesome talent to connect with the kids, and to a parent that's priceless. Thank you. D.M., AB

Trent, We are at a FCWT event this week in Phoenix. Thanks in large part to you and your effort, Ronnie has the confidence to play with the 19 year olds and feels like he has as much right to be here as anyone. MJT is a great program that challenges kids to be their best and have fun regardless of where they finish. L.P., AB

Trent - I want to thank you for your guidance and encouragement when I was starting down the college recruitment path; it was a great help to get me started! Over the past year, I was in contact with many colleges and received really positive feedback all along the way. My hard work and energy paid off when, last fall, I received a number of great offers from US and Canadian schools. After weighing the quality of the academics, athletics and costs, I have chosen to play for the UBC Thunderbirds in September; I am really excited! C.E., AB

Dear Neil, Thank you for all your support in my golf development. V.L., BC

I'm a former member of the MJT and owe a lot of my golf success to the tour. I won an MJT event in Calgary and had some high finishes in other through my junior membership with MJT. I developed a nice relationship with Trent Mason who helped me in the latter part of my junior career. I just recently graduated from Texas A&M University-Commerce where I played for their NCAA Division II Men's Golf Team. J.M., AB

Thank you MJT and RY2C - Berk recently committed to Doane University in Nebraska for the upcoming Fall semester. We had approximately 60 schools express interest in Berkeley attending their school as a result of the easy to use RY2C program. Before we ventured down the RY2C road I'd heard of probably 30 US schools. UCLA, Duke, UNC, Michigan, Stanford, basically the same schools we could all name. There's no way we'd have ever come across Doane in Crete, Nebraska by ourselves. I honestly don't know how a parent would even begin to look for a school without RY2C. Hats off to you Jenn! We had interest from a lot of NAIA schools, as well from NCAA Div 2 and Div 3. Doane is a NAIA school that we felt was the best fit for Berk. It was his #1 pick of the offers received and we went down to visit in late January. That closed the deal for all parties concerned. **Without Berkeley's involvement in**

the MJT program and the continued support of Trent and his staff this opportunity would never have presented itself and Berk may have missed the opportunity of a lifetime. I can't say enough good things MJT and RY2C, thank you so much! - D.M. and B.M. - AB

The MJT has been a big part of my golfing career as they have helped me so much along the way. Their tournaments are really well run and it's great to be able to play in lots of competitive events near home. Each tournament has such a great environment and they're always tons of fun. Regards, C.R., NB

Just wanted to thank you guys and the rest of the staff and volunteers again for making this year such a great year for both myself and all the other kids involved in the MJT tour this season. I have never played on such a well run and organized tour. Thanks again and I hope to see you next year! D.I. - ON

I am just writing this email to thank you for organizing and running such a spectacular event with the MJT National Championship. I had a lot of fun down in Florida, and also learned a lot from all the different speakers that talked to us in the opening banquet. Overall it was just an unbelievable experience and I hope that the event continues and hopefully I will be able to take part in it again! Thanks again..... C.D.- ON

Trent-I just wanted to thank you for taking the time to meet with me this past weekend at Reunion Resort. It was a phenomenal event and I was very impressed with both the level of play and the friendliness of the entire staff. C.H.-Coach, Johnson & Wales University, North Miami

Although I didn't get the joy of attending the National Championship in Florida this year, D and M both said it was another great weekend. M's big into basketball as well, so that was a treat to go with other golfers to watch an NBA game. And the icing on the cake was getting to meet Retief... So thank you for putting on another great weekend for these junior golfers....D, K & M. T., BC

I wanted to thank you and all the MJT gang for all you do for junior golf.... Sam loves golf and loves competing at your events. Thanks again. G.R. – ATL

Everything was well thought out. People have asked me about it and I have nothing but great things to tell them... ..KK, PGA of BC

I would like to thank you for the cheque and team shirt I received in this event. I am very grateful and appreciative to have taken part in this event and representing MJT Ontario this past weekend at Hunters Pointe. C.C. - Ontario

I would like to take this opportunity to thank you for your sponsorship towards my entry fee into this tournament, and providing me with the MJT golf shirts. I had an amazing time at this tournament, I have golfed throughout Alberta and Saskatchewan this summer on the MJT tour, but this is the first time I have ever qualified for a tournament of this caliber..... A.M. - Alberta

Dave - What a great job you guys did last weekend at the International Team Challenge at Hunters Pointe Golf Club. I really enjoyed the event and everyone else that I talked to also loved it. Jeff - This was a trip of a lifetime. It was made all the better knowing that you were there to help and support her and the team. She made a lot of new friends while she was there, hopefully she will keep in touch with some of them. Thank you again. We know it took quite a bit of time out of your own life to go with the kids and it is greatly appreciated..... J.R. - Saskatchewan

Thank you very much for sponsoring the MJT's international team challenge and providing financial support for my teammates and me. I had the chance to meet kids from different provinces, the United States, and to play a very nice golf course. It was also very cool to be a part of the inaugural event of something that will hopefully continue for years to come..... C.D. - Ontario

I would like to send out my greatest thanks for your sponsorship for this event, along with the \$250.00 in funding and the team golf shirts. It is great to have the sponsorship for the event and represent the MJT at an event like this. Thank you very much again for your funding and the team shirts..... S.L. - Ontario

Hey Trent - Recruit Yourself to College helped make my dream of playing college golf a reality. I'm so glad that I have had the chance to meet the people I've met, seen the things I have seen, and been able to compete the whole time. RY2C has allowed me to have the experience of a lifetime.... J.W. - Alberta

Tracy - Thanks so much for this. I know Brynn is very appreciative and so are we! Proud parent day too!..... J.T. - Manitoba

Tracy - I'm thrilled to be a recipient of an MJT scholarship! Everything is greatly appreciated when it comes to funds for schooling. Thank you very much again for everything..... D.S. - Ontario

Tracy - Thank you very much for the email and I am honored that the MJT chose me for one of their scholarships. I just finished the fall season of my college golf and feel so lucky to be at university and doing something I love along with my studies..... A.O., ON

Growing up playing on the MJT tour I was able to compete against top level junior golfers from across the country. Through the years I saw several other MJT players sign at NCAA schools. I decided to remain in Canada and compete at Lethbridge College while completing a 2 year degree. Having a few years of NCAA eligibility remaining after finishing at Lethbridge College, I was introduced to Recruit Yourself to College. The program was very simple to understand, and was well worth the investment. I am very thankful for the opportunities that have come from using the Recruit Yourself to College program and playing my junior golf through the MJT. I would highly recommend using Recruit Yourself to College for any junior golfers who dream of playing collegiate golf in the U.S.....J.M. - Alberta

Trent - Thank you for everything that you do at Maple Leaf Junior Tour for all of us juniors. It really is remarkable that you and your staff are able to consistently host and organize some of the best junior events all across Canada so often throughout the year..... S.K. - Alberta

It is an honour to receive the 2015 MJT Cleveland Golf/Srixon player of the year Award for my age division. I would like to thank you for your continual support of the MJT tour. Without the MJT and your sponsorship it would be hard for the many juniors like me to compete at a level that readies us for the next step of competitive golf..... R.T.

Mr. Dodman - I am honored to be The Cleveland/Srixon Player of the Year in my division for The Maple Leaf Junior Golf Tour. I would like to sincerely thank-you and Cleveland Golf/Srixon for sponsoring The Maple Leaf Junior Tour. Your sponsorship gives kids like me a great opportunity to excel at a higher level in golf B.C.

Mr. Dodman - I would like to thank you very much for your consideration and generous financial sponsorship for the MJT Cleveland Golf Scholarship! I was very happy to be named runner up for the award. The cash scholarship will come in very handy as I continue to consider my university options. The MJT tour has been a great experience for me. I have learned so much about golf and people and competing, I really hope to continue that as I move on to University.... B.T. - Manitoba

Thank you for this amazing opportunity! I am very proud to be known as a MJT member! J.M.

Also, thought I'd let you know that Keenan now also has a Div 2 scholarship offer which stemmed directly from Recruit Yourself 2 College..... J.F., BC

I'd like to thank MJT and Trent for all that they've done for my sons. Without MJT, J would not have advanced to where he is today. We have used the MJT resources as much as we can and hugely benefited from it. Trent has gone above and beyond. Can't say enough about these guys. M.D., British Columbia

The support MJT and RY2C has provided Jeff has been instrumental in finding the best match for his future as a student-athlete. It is my conviction that without their expertise and advice, this opportunity would not have been made possible!..... J.D. - Alberta

Without the MJT and the RY2C, I probably would not be a member of the South Dakota State University Jackrabbits this year. First of all, the opportunity to play in great tournaments, which featured quality competition, was a great experience for me. In regards to RY2C, it was a great chance to get my name out there and see what opportunities were available to me at the college level. I am fortunate to have been involved with the MJT and am grateful for the doors it helped open for me.....J.L.

Trent, James and I wanted to take a minute of your time to say thank you and everyone at MJT for a great year and final tournament. Some may have scored well while others may not be overly happy with the result but the facts are, the tourney was fantastic.....J & J.R., AB

Trent - Just wanted to thank you for a couple of things: 1) running an amazing tour for kids of varying abilities to get to better know themselves as golfers and people. 2) having such a great culture with MJT where kids get the correct perspective about how golf should be about fair competition, getting the most out of yourself, meeting other great kids who also love the game, and having fun. You're a good man and a good soul. Thanks for allowing that to rub off on our kids. Means a lot. B.P. - Alberta

Belated thanks again to you and your team for a wonderful event in Phoenix last month. It was fantastic from start to finish.....S.P. Alberta

Hello all at MJT, I would like to thank you for all the great tournaments you organized and held over the past few years. When I started playing this game four years ago, MJT was the first tour I joined and first tournament I ever participated in. I enjoyed the way the tournaments were professionally run and the strong competition at most events. Playing MJT allowed me to continuously learn and improve from every tournament. Overtime, MJT was a building block for my golf game. After early struggles, I gradually started to be able compete with the field, and eventually win on various tours. I really appreciate everything you guys did! I wanted to let you know that I recently signed a National Letter of Intent to play Division 1 golf at Seattle University. I will be receiving both athletic and academic scholarships when I attend in Fall 2015.....R.H, British Columbia

My son Nick had a great experience participating in the North American Junior Amateur Championship in Phoenix over the Christmas Holidays. It is great to hear that MJT is hosting more qualifying tournaments in 2015. Nick and I would strongly recommend others to participate in this tournament for both the opportunity and the experience. It was also great to see other Canadians participate and do well in the tournament as well.... Thanks again for your support and commitment to Junior Golf in Canada. The experiences Nick has had as a junior golfer through the MJT has been great for his development both on and off the course. T.S, Ontario.

Thank you very much for that, something we can treasure for many years to come. I am sure Chloe is going home with lots of fantastic memories, so thank you to you and your staff for making this happen. K.T, Australia

lot to me! I look forward to see you at the next event and thank you so much for hosting these events! J.C, Alberta

Dear Murray, We are writing to you today to commend you and your Maple Leaf Junior Tour team for all the years of golf enjoyment your organization has provided for our son and ourselves. We appreciated the professionalism. From the prizes, to the pizza after, to the MJT banners as we drove into the golf courses, to the press releases to the local newspapers: all those features made the events special for the kids. Many thanks to you Murray, and all your MJT team. You're making a difference in the lives of young people. I can't imagine a more valuable legacy than that. S.B., P.B., BC

I just want to thank the MJT for all of your hard work. Without the MJT in Manitoba there would be very few junior tournaments in the province. With respect, I.S., MB

Good morning Elaine and Trent, We are always very happy to support Junior golfers, as they are the future of the industry; and with great programs like the MJT, it's a no-brainer for Loft8 to want to join in! Thanks again for running a great program, and we're all looking forward to working with MJT again! Evelyn Paik, Loft8

Thank you for the past 4 years. I've always enjoyed playing in your well run tournaments. R.H., BC

George Melville^[SEP]Chairman & Owner^[SEP]Boston Pizza International Inc.

Trent, just thought I would say hello and let you know that 2 of your MJT grads both won individual titles Nicklaus Kennedy and Adam Svensson. They both owe a lot to MJT for the great junior programs you folks offer to the players in Canada. Keep growing and producing Canada's next PGA and LPGA players. Thanks G.V. ON

Hi Elaine, Thank you so much for the opportunity to go to Australia, it was an amazing experience. We had a great first day in Sydney visiting the Oprah House and walking around the harbour, it was really nice being able to spend that time talking and getting to know everyone on our team. The tough course conditions challenged all of our games in different ways. Although I didn't play as well as I had hoped it was still a lot of fun to meet lots of great people and to see the standard of golf in other countries. Thank you again for the opportunity. T. T., BC

To Maple Leaf Junior Tour, Thank you very much for giving me the opportunity to represent Team Canada MJT at the 2014 Srixon International Junior Classic in Australia. My coach and chaperone, Louis Melanson, is a very supportive & knowledgeable coach, and he was so nice and fun to be around during the week in Australia. I had such an amazing week in Australia with my teammates, coach and the many new friends that I met, and I will treasure those memories forever!! Thank you very much! Yours in golfing, A.G., ON

This experience was one I will never forget. I would love to thank the MJT for giving us the opportunity to live this experience. I made life long friends that I will keep in touch with. I would do anything to go back. It opened us to what level of golf we must climb to. Srixon is a great junior golf supporter and so is MJT. I am thankful I made the trip! S.R., NB

Just wanted to say thank you for the amazing experience I had in Australia thanks to the MJT. I enjoyed getting to know my teammates and the other juniors from around the world. I could not have asked for a better group of people to take the trip with, I enjoyed every minute of it and would take it again in a heartbeat! I really appreciated all the time and effort put in by everyone to make the event possible for our team, thanks to Trent for all the effort he put into organizing this for us. MJT Staff, I would like to thank every one of you for the work you put into the Maple Lear Junior Tour and everything you do for the kids and their families. What you guys do is remarkable and really helped me grow as not only a golfer but as a person. MJT helped me as a competitor and helped me with my dedication to the game and learn how to accomplish my goals not only in golf but in all my goals outside of golf. I had recently got my PGA of Canada Pro card and am now a candidate for membership in the association. MJT helped me so much in pursuing my card and I wanted to thank everybody for that.I can't say thank you enough to the MJT and its staff I like to think of MJT as my first step into becoming a professional golfer and keep growing and learning everyday..... keep on doing what you're doing and making golf fun for Juniors for years to come. Good morning Mr. Matson, I had a great experience participating in the last 2 MJT events and am pursuing more events to play this fall and winter. Hi Mr. Robinson, Thank you so much for sponsoring our son and for providing him with the uniforms. Playing in this tournament truly was a wonderful experience for him! Sincerely, D. & I.K., MB

Mr Pat Robinson, I just want to thank you for your generous support to junior golf. It has allowed me to play in one of the largest Junior tournaments in the world (Callaway Junior Worlds) and to gain valuable experience and meet fellow competitors from around the world. Without your support this would not have been possible. The golf shirts and hat were also very much appreciated and I wore them proudly during competition for all three rounds. Unfortunately I did not win but tied for 36 overall - maybe next time! Again thank you to you and your company for all your support. Yours, C.D., BC

Dear Maple Leaf Junior Tour Staff: I just wanted to take this opportunity to thank you for organizing another great event down here in sunny Windsor. Mr. Pat Robinson, On behalf of our son and ourselves, we would like to thank you for your support/funding and uniforms provided to Noah to attend the Calaway World Juniors this year. Much appreciated, N.K., SK

Thanks Tracy, much appreciated. It an honor to be part of the MJT organization and wish you all a great season. Jim Bowie, Canterbury Golf

The package has arrived. Most outstanding shirts and hat. Dylan will be styling. I hope his golf will be as good as he looks in these shirts. Thank-you, G.B., BC

Trent, we can't thank you enough for taking the time to respond and send this email...we have passed it on to Matthew. Again, thank you to you and your staff for your respect towards Matthew, we can appreciate that it wasn't easy for you or your staff either. Your thoughtfulness and this supportive email have made him feel much better about himself and he is willing to give it another go. L.D., AB

Hello Mr. Matson, I just want to get in touch and express my appreciation for being considered for such an honor. It is really humbling and very exciting to be short-listed. Regardless of whether I am selected or not I really am grateful and excited to be short-listed. I began playing MJT tournaments this year and have enjoyed both the events I have participated in and also have been fortunate to play very well. Thank you again very much. I hope to be in touch with you again soon. Sincerely, S.K., BC

Thanks for the many years of great golf memories. J.V., BC

Hi Neil, Just wanted to thank you for yet another successful jr golf clinic. The feedback I have received has been exceptional. You and your team do such a fantastic job!! Michelle Jones-Ruppel, West Coast Auto Group

Hi Trent, Well done on organizing such a great event at the Fairmont Banff Springs, It's defiantly got Tiegan fired up and she's now going to play Jasper and Predator Ridge in August. N.T., AB

Hi Trent, Just wanted to say thanks for the tournament and great catching up a little while down there. Rusty had a good time and of course the tournament was 100%, as if there was any doubt. M.T.,BC

Thank you MJT and Jeff Chambers for all the work you do to promote junior golf. T.B., SK

Well done Elaine and I really enjoyed the comments from the participants. George Melville, Boston Pizza

Thank you very much. We really appreciate it and we look forward to attending your tournaments this season. R. & J.L., AB

Just a quick note say thanks so much for the MJT Kikkor Classic at Northview last weekend. This was the first MJT event my son participated in and if I had to grade the event I'd give it an A + ! ... Communication about the event has been terrific, all aspects of the tournament was well organized, folks were friendly and helpful; and from what I could see, the tournament ran without a hitch, even despite what must have been a scramble due to the change in locations. Congratulations to everyone involved as I can well appreciate that's no easy feat ! !. As a new parent to the MJT I am thoroughly impressed! Thanks again and we look forward to the next event ! L.A., BC

Thanks for sending through pictures and nice to see that the franchisees are engaged in the local events. It is always great to have for franchisee meetings. Joanne Forrester, Boston Pizza

Thanks Elaine, Coming from the snow in Saskatchewan for the first few rounds of the year was a great opportunity for Matt in spite of the weather! Being able to see new courses, meet new people and be a part of the season opener was an experience he will not forget. Thanks to Neil, Murray and everyone else who organized the weekend. Best Regards, M.B., SK

Thanks Elaine, You guys are great! Never expected a refund. The same thing happened to Mitchell last weekend with a different tournament and we didn't get anything back from them. Proves once again, why we like the MJT so much. You can't help the weather, but just shows again how much the MJT cares about it's players and families. Have a great week! K.T., BC

Elaine, Our positive perspective on the folks at MJT continues to grow! The question came up from one parent on Sunday and I said that I bet you would automatically offer a credit which is exactly what you did. Thank you and all of your team that attend the events with contagious enthusiasm. Thanks again, J.R., BC

Hi Trent, I had to leave banff right after my round, I just wanted to say the tournament was great and well organized, looking forward to the next one. Thanks, T.V., AB

Hi Jeff, Jarrett was one of the kids that took part in your free junior clinic at swift this past weekend on Saturday evening. You were kind enough to help with a swing tip and placement of ball and spent a few minutes with him one on one. He was inspired by your comments, tips and shared golf experiences. I also appreciated the couple minutes of your time to talk drivers and club fitting. Thx. D.B., SK

Also wanted to add praise for the MJT tour and staff. Marco joined in 2012 and we are very happy to be playing. We have travelled to Saskatchewan and Ontario as well as playing Manitoba events. MJT runs a great program. M.T., MB

Hi Trent, Thank you again for all your hard work this weekend in Lacombe. Cassidy was and is excited about playing more MJT's this year. D.C., AB

THANK-YOU So Much!! That is so nice of you! Thanks again for your thoughtfulness---I will pass along your kind regards to Austin! L.F., SK

Thank You Trent! It was very nice to meet you as well! I have received nothing but positive feedback from the parents! A few emails and phone calls have been sent my way saying thank you and they hope it happens again next year! Thanks, Jodi Prosser, Woodridge Ford Lincoln Ltd.

Thank you very much for the advice and direction you provided during the past year as we researched the many school choices. Your help was invaluable. We have visited the school and do believe we have found a school that offers a solid education and an opportunity for John to continue to grow his golf skills. Thank You, A.G., NS

Just a big - THANK YOU - to Murray Poje and all the staff at MJT, for the last 8 years our daughter has played MJT events and your program has molded her into a champion golfer and a respectful young woman. Your events have played a major part in her development. We are proud to announce that she has signed to play golf for the University of Northern Colorado Bears Division 1, Big Sky Conference under a full scholarship. Keep up the good work, golf is a great way to mold our children in a positive lifestyle. Thanks for all you do! Best Regards K.M., M.M.,K.M., BC

Hi Elaine! The support you and the BC staff have shown (my son) in his darker days last year, and during the event in Orlando have resulted in him having the confidence to contact and discuss placement with a number of college coaches - I am hoping (we) will have some really good news to share with the MJT when he plays next month. He has an offer to play and we will possibly be signing next week. I cannot emphasize enough what a life changing weekend the Reunion event was for (us), and I will truly be looking for ways to continue my involvement with the MJT..... The MJT staff and the pros have really established a great tour, that is very accessible to all levels of play..... P.L. & S. L., BC/MB

"I would love to thank all the volunteers and staff that dedicate their handwork and time to the MJT organization. Without their work I wouldn't of had the opportunity to play in this amazing tour. Thank you." L.R., BC

Hello Murray,

I would like to thank you for all the many junior golf tournaments that you made possible to play when I was a junior and continue to do. Thank you for the advice and encouragement to continue in my golf career. Currently, I am living in France and study journalism and playing golf. Recently, I played in the Alps Q School in December and going for another shot in March. Happy New Year 2014!

A.M., BC

Hi Tracy, Thanks so much to you and Murray for taking care of this. I really appreciate the kind offer and I know the kids are really looking forward to a fun season with MJT.....Kind regards, Y.C. (BC)

West Coast Ford Lincoln has been involved with the Ford Go Golf! Junior Clinics for 8 years now and have witnessed first-hand the professionalism of execution and how much the community enjoys the event. It is a fantastic program that introduces golf to kids, a sport that sometimes gets overlooked. I am very proud that the clinics have introduced golf to nearly 3000 kids in B.C. since inception. The exposure that we receive as a dealership being part of this program is wonderful. Michelle Jones-Ruppel, West Coast Ford Lincoln

Hello Trent -- it was a pleasure talking to you last night about the college scholarships, the information you gave us was invaluable.-- thank you, C&P, AB

Hi Trent:

... I would like to thank you, the MJT and Travel Underwriters for the support and funding for this amazing trip. Trevor had an outstanding time, and has not stopped talking about the trip since his return. The golf was fantastic, but the opportunity to meet fellow Canadians as well as others from all over the world, were the highlight of his trip. He has kept in contact with many of the friends he has met. Please extend our thanks to all involved in making this trip possible. Thanks, D&S.R., (ON)

Hi MJT!

....Nic is currently attending the University of Missouri Kansas City. He is currently enrolled in their Bachelor of Business Administration program. He is on a golf scholarship and is playing in NCAA Div 1. Playing on the MJT was a wonderful experience for our family, and definitely played a huge role in getting him to where he is today! Thank you all! C.S. (AB)

Chris wouldn't be where he is today if he hadn't gained the tournament experience and earned the confidence needed to play collegiate golf by playing in so many wonderful MJT events. Thanks for everything! L.W. (AB)

Michael has thoroughly enjoyed the past two (2) years being involved with the MJT golf events and the wonderful people involved both here in British Columbia and Alberta. J.G. (BC)

Dear Mr. Robinson,

Thank you for your work with the Maple Leaf Junior Tour. I recently Won the MJT-PGA of Alberta junior championship and Qualified for the San Diego junior amateur. I thank you for your generosity for giving my family and I \$250 towards our trip. It really helps us move forward with the travel expenses needed for tournaments like these. It is people like you who help push juniors in Canada to the next level. Thank you for helping junior golfers compete at the highest caliber. W.G. (AB)

Neil, Murray, Elaine & Trent:

Mitchell and I would like to thank you for another great MJT season, capped off by an amazing weekend in Florida. The resort was beautiful...the golf was great, and to be able to attend a clinic with Annika was a chance of a lifetime. We always sit down with Mitchell at the beginning of the season and go through all the tournaments available and then usually let him pick and choose where he'd like to go. The MJT tourneys are always at the top of his list. Not only are they competitive, have great prizes, but they are the best run tournaments that Mitchell's been a part of. He's made some great friends on the tour, and now we have a few BP video bloopers to add to his memory box. Thanks again very much for a great season, we look forward to seeing you in 2014. Sincerely, K,D&M. T. (BC)

To all the organizers of the MJT Boston Pizza National Championship,

We would like to thank you for everything you have done over the past weekend. The tournament, the Annika Sorenstam Clinic, the presentations from the coaches and Dr. Winters, etc. There was a lot of work done to have this all ready for the young golfers and it was appreciated. This whole experience was very inspiring and motivating for young golfers (and even older ones!). And the location was fantastic. We are all leaving with good memories. Thank you. D.H. & G&N. P. (NB)

Thank you for another year of support on the Mapleleaf Junior Golf Tour. I am very aware that without such great sponsors like Cleveland this season would not have been as big of a success. I am very honored to win the juvenile player of the year as it is one of my biggest accomplishments to date. Not only would I like to thank you for the wedges but also the

generous donations of golf balls your company gives to each competitor. Thank you for the sponsorship you provide to the number one played golf tour in the country. W.G., AB

I would like to say a huge thank you for giving me this opportunity of receiving a \$1,000 scholarship. I will be attending Adams State University in Alamosa, Colorado in the fall of 2014. I'm really excited to experience a new country while learning about their culture and allowing my golf game to grow. MJT has been a great growing experience for me over these past two years and without it I don't think I would be where I am in my game right now. I enjoyed each tournament and meeting golfers from all over Canada. The staff is amazing at every event and when I'm off on my game they are always right there with encouraging words and smiling faces. I had an amazing time at the final MJT in Florida and I wish I could do it again next year but unfortunately I will still be in school. I just wanted to say thank you again for all your hard work and this opportunity. L.R., BC

I want to thank you MJT representatives on putting on a very organized fun tourney for the kids. This was my son's first golf tourney experience and he had a blast he told me. I just wanted to take the opportunity to say a job well done.....B.G., SK

Our first tournament and we were very impressed. Very organized and a lot of fun as well. Mike was absolutely top drawer! He made our son Eric feel like he belonged and went out of his way to make him feel comfortable. Great job and very appreciated. Can't wait to do it again.D.C.,ON.

Thank you for a wonderful event. Our nine year son attempted to play in this tour for the first time and he thoroughly enjoyed the tour and truly had a great time meeting new friends and players. Thank you to the organizers who did a wonderful job at making the tournament run smoothly and professionally. A big thank you to the corporate sponsors who continue to support junior golf and who also help to grow this wonderful game. Looking forward to having Peter play again in the MJT real soon!!...Kind regards, C.B., ON

Dave,

Lisa and I just wanted to thank you for an awesome weekend of golf. The course, as you mentioned, was in great shape plus it was a great layout to test the kids in all facets of the game. Connor says he thinks it is his new favourite course. This is why we love MJT. You,

Sharon, Dylan, Brett, Mike and the rest of your staff consistently run great tournaments that offer excellent value and challenge the kids of all levels. A.M., L.M.,.... ON

A special thanks to the Maple Leaf Junior Tour for all the opportunities that were given to Keaton over the past 5 years to help grow his game and take him not only to his dream but to the next level in golf. Thanks again..... K.J., D.J. & K.J., ON

Trent and the MJT staff:

We would like to thank you for giving Trevor the opportunity to compete at the East Aurora International Junior Masters. .....by the way I would like to pass along to everyone at MJT, as a parent I think you guys to a bang up job for junior golf. G.H., SK

I would like to express my gratitude for the way my grandson was treated this past weekend in Windsor at his first MJT event. Mr Dave Smallwood was a true gentleman and mentor for Devan as he struggled with the tee box he was on. He still managed to persevere despite his size and finished both days on time. The boys he played with should also be commended for their sportsmanship and patience with a younger first time golfer as well as Dave's staff. I am most familiar with your fabulous program as my stepson Nick Kennedy has enjoyed great success on the MJT tour. Devan will continue on this season with MJT and I will continue to be a strong supporter and promoter of your wonderful way of giving young golfers an avenue to experience the great game of golf. Yours sincerely, G.S....., ON

Tracy, I really appreciate your assistance in sending this out. We are excited about the program !!! In Manitoba there are 6 or 7 PGA professionals in our zone that all grew up playing golf at Rossmere Golf &CC We competed together and are all friends to this day, It brings back fond memories when we discuss our junior days. It is that experience that has kept us all in the game as adults. We hope to provide a similar environment to help the kids develop as golfers and young people. Thanks again, D.M. Director of Golf Operations, Elmhurst GC

Hi Tracy and everyone at MJT,
I just wanted to let you guys know that I am currently starting in my freshman year at Simon Fraser University located in Burnaby, B.C. I am on a Golf scholarship and we compete in the NCAA division 2. As for the schooling, I am currently in the Arts and Social Sciences department. School and Golf have been going well and I want to thank you for running such a professional tour that has a great atmosphere for us players. Having a tour such as MJT has helped me prepare to compete in collegiate golf. Thanks, T.G., BC

Dear MJT, I just wanted to say thank you for the brochures and posters that you sent in the mail, I thank you so much for including our daughter Brooklyn in these. Organizations such as MJT have truly helped guide kids like my daughter to achieve full scholarships to Universities and I personally wanted to thank everyone at MJT for all their hard work with all the tournaments that they have put on. Look forward to seeing you in the future as our son, Niko and daughter, Annika play golf and will likely play next year on the MJT tour, thank you again, W.K., BC

"Just a note of thanks for the \$500 received towards the Phoenix Tourney. Last year (my son's) first MJT tournament in March he shot over 100 Who would have thought he'd come so far over the year, drop 10 points off his handicap, be in the top 3 in his age, and shoot under 80 in Phoenix. We can't wait to see what this year holds. His goal is a trip to Florida in November. Thank you for investing in these young golfers! D, K, and M.T, BC"

Hello Tracy and everyone at MJT, I would like to thank you for awarding me player of the year, it means a lot to me since I have played on the tour for many years. I'm writing to let you know how much the MJT Pledge Form Option has meant to my family this year. My son is passionate about golf.This year he joined the MJT Tour because it provided Trevor the option to fundraise and approach members of the community for support. He successfully raised enough funds to cover at least two tournaments and possibly some of the travel fees we incurred. The MJT Tournaments at Morgan Creek and Bear Mountain were excellent learning opportunities and Trevor's golf game has improved drastically this year.I would like to formally thank the Maple Leaf Junior Tour for providing this avenue to assist junior golfers to raise funds for traveling to, and participating in Tour events. B.E., BC

Hello, My son could not make the first event in Swift Currrent. He really enjoyed himself at Cooke this past weekend. As a father I really enjoyed following him around the course and watching him play showing good sportsmanship and etiquette on the course. You guys do a great job of hosting the event..... sincerely, T & M. B, SK

Thank you very much for the opportunity to represent MJT at the Callaway World Juniors at Torrey Pines. I had a great time in San Diego and I really enjoyed having you there for support. I recently received the \$500 cheque and greatly appreciate it (from Travel Underwriters and the Brandt Levers Family) It helped to pay for a practise round and some of our accommodation at the event. It was a wonderful opportunity and I especially enjoyed playing with people from all over the world and learning a little bit about their countries and culture. Thanks again. It was awesome. J. Hi Trent, Thank you for helping me improve my golf game from when I was 10-14 years old. We made great strides on my golf game over those years, and I learned fundamentals from you that I still go back to this day. I wouldn't have made it to Division 1 Collegiate Golf at Alabama State without you initiating and developing my golf skills in my younger years. I.M., AB

.... As a result of his participation in the event in London, Nick qualified to participate in the Beth Daniel Azalea Tournament to be held in Charleston, South Carolina, August 6-8. It is a wonderful opportunity for him to showcase his game at the international level with his goal being to combine his education with an athletic career. Once again, thank you for your generosity. W.K., ON

Hey Jeff, Great job at the Willows! That MJT junior event was first class. Couple notable things I would like to address: Kids had a blast, Darren mentioned you addressed pace of play with some players which was great. How well you dealt with the kids when it came to assessing scores in the tent (particularly the younger kids). The prizes were great, wish it was like that when I was a junior. Thanks for allowing us to come out and register the juniors for our order of merit tour championship. Nice to see all the kids and parents stick around until the end.... P.G., SK

You guys run a terrific programme and we definitely want to support it and be a part of it. M.T., MB

Dear MJT c/o Elaine! We would like you to know that our daughter, Jamie, has developed over the past 5 years into a lovely young lady playing Junior golf. It has been her passion to someday play Collegiate Golf at University. Jamie is now fulfilling her dream and signed an NLI to play

for the University of Colorado, Boulder, starting in Sept, 2012. I remember the first time I spoke with Elaine on the phone, "do you think Jamie could play at this level?" and Elaine replied, "why don't you let her play a one day Fall series and see if she likes it" Well, Jamie was hooked and wanted to play all the MJT events. She played throughout the lower mainland, Okanagan, Alberta, Chicago, Australia. She had her highs and her lows, but she always wanted to play more. MJT remained "like family" always making Jamie feel welcome. When Jamie spotted an MJT tournament at her home course, Hazelmere, (last week), she wanted to play. She finished her summer with success and her last MJT win. Thank-you to everyone at MJT for encouraging all the young juniors to play and have fun. We'll miss you Neil! Kind Regards, L. & L. O., BC

"Dear Mr. Matson, we thank you for this invitation and Charlie is thrilled to accept. Thank you for the opportunity and honour of competing in this event through the Maple Leaf Junior Tour!" C.C., ON

"Dear MJT, I would like to personally thank you and your well organized and friendly officials and volunteers for providing such a positive experience for our son at his first ever golf tournament. In particular I would like to thank Dave Smallwood who showed an incredible amount of patience and understanding while our son struggled through his first round. MJT has clearly fostered an atmosphere where even a 9 year old can come, compete his best, and walk away with a smile on his face. I feel you have captured the true spirit of golf..." A. M., ON

"Hi Tracy I wanted to tell you that my son David had an incredible weekend. It was a great first experience for him with MJT. He is doing 4 all together this summer and is very excited...thanks again for organizing this for the boys." B.M., ON

"Hi Elaine and Murray, I just wanted to send you a quick email to let you know how highly your reputation and that of the MJT organization is out in the business world. I attended a dinner the other evening and was seated at a table with Debra Hewson, President and CEO, Odlum Brown. While talking we got around to kids and golf. I knew that Odlum Brown sponsored and supported the MJT and that Porsche had played in their tournaments year after year. I wanted to take the time to thank her for their corporate contribution and continued support that she and Odlum Brown have done and how much it has meant to kids like Porsche and so many

others. She was genuinely touched that our story and others have led the kids to such great opportunities. As you know Porsche had a golf scholarship and attended UBC for the past two years. She has now been recruited and will now be going off to play at University of Tennessee Chattanooga in August and is so excited that I just wanted to let you know. Not only is it the sponsors and corporations that support the MJT Tournaments but your hours of dedication and passion that has allowed these kids to go on to opportunities like this. Thanks for everything and if you ever need volunteers for any of your golf tournaments, both David and I are always available." N and D.C., BC

"Derek is currently a freshman attending Texas A & M Commerce University on a golf scholarship (NCAA Division II). He is studying business and has had a great first semester down there. He had several offers to play here in Canada but decided to pursue the U.S. route and received a good offer. Thanks very much to the MJT for all of the wonderful opportunities and support over the years! His involvement with junior golf in your organization has contributed greatly to his success, and the scholarships received through the MJT have also helped a lot. Hopefully he will be able to play a few events this season when he returns to Alberta in May. Thanks again!" K.R. & C. R., Chestermere, AB

Thank you so much for the \$300 scholarship. I really appreciate it, it will greatly help with my future studies at the University of Victoria starting in Sept 2012! J.T. Red Deer, AB

"Hi all, Just wanted to say thanks for everything that was done for Jared over this last season (Australia, all the other local tournaments, and the windup in Orlando). You guys/gals are the best. Looking forward to next season." M.D. Kimberley, BC

"To our MJT family, Once again we must take a few minutes to recognize and celebrate the successful 2011 season. Our son did not fair in his results as he is used to but growth in body is not always matched in mind and patience. That being said the lessons in handling adversity

this year, were in my opinion, priceless as that is what real life is about. We definitely would like to take this opportunity to thank the efforts of the MJT organizers who put in a lot of time in making a fun and educational summer for our young adults. The MJT truly do what they say they will go and that is a rare in today's world. I would be remise in failing to recognize the Manitoba team Ed Boge and Garth Goodbrandson for their personal efforts and guidance in this past season. We are proud to call them friends. To any perspective sponsors please help out these folks they do good works for the future of our youth and should be supported at every opportunity. Congrats to all the winners at the yearly championships in Florida and for our son and family we cannot wait till the start of next year. See you on the greens, K. I. & C. S., MB"

"Maddie really enjoys the tour and everyone has done a great job providing opportunities for the kids!" B.E., ON

Dear Mr. Dodman, I would like to take this time to thank you for sponsoring the 2011 MJT Cleveland Golf Player of the Year, and for awarding me with three brand new wedges. Winning this award was one of my goals at the beginning of 2011 and I am grateful to receive this prestigious award. Your commitment to Canadian junior golf and the MJT is very much appreciated. I am really excited about receiving three new Cleveland wedges; I cannot wait to put them in my bag for next season. In 2010 I won an MJT event in Spruce Grove, AB. This win qualified me for a spot in an FCWT event in Tucson, I went on to win this event also and qualified for the FCWT Tour Championship this past May. I won this event which earned me a spot to the Junior World Golf Championship in San Diego. Sponsorship by Cleveland of the MJT made competing at the Junior Worlds possible for me. Thank you for you support of junior golf in Canada. Regards M.W., AB

"Elaine, Trent and the rest of the gang. On behalf of Josh and I, I want to express our appreciation for the wonderful weekend you organized. It was First Class from the moment we pulled up to the gates. I can only imagine the time and effort it took from each and every one of you to make this a memorable weekend for the kids. It was Phenomenal.....Elaine, you have been absolutely amazing to deal with, as Murray so eloquently expressed it on Friday evening. You are the Anchor, that drives this engine. On a personal level, I really enjoyed the camaraderie we had and want to thank you all for making yourselves there just to enjoy. From the first year I have known that this was a First Class Organization and you have throughout

my sons time on the tour never disappointed me. Their down to earth embracing spirit just makes it feel like going to a family function. Thank You All," A.M., ON

He's had a great time all year, and has met many players that he will continue to keep in contact with..... He really appreciated the coaching, and said that Mike was a 'beaut'.....Thanks again." A. W., BC

"...Team Canada was by far the champion in life and that is what I will remember most when reflecting on our time in Australia. I had a front row seat in watching how the kids from Canada developed and matured on the golf course The Canadian team of Bret Thompson, Jared DuToit, Meghan Bennett and Jenna Roadley were fantastic ambassadors for our tour and our country. I feel very privileged to have been involved with all of them for this wonderful experience. To the MJT, Travel Underwriters and anyone else involved with this tour, thank you for this opportunity..... I would also like to thank the greatest team a coach could ask for. To Bret, Jared, Meghan and Jenna, I hope this trip was everything you ever hoped it would or could have been. I am proud to call you my friends." Mike Skimson, PGA, MJT Tournament Director - Ontario

It is these very experiences that will help him reach his goal of playing professional golf as a career.....Thank you." G.C., SK.

This is wonderful - thanks to you and Trent and to all others who made this trip possible. Also a special thanks to Mike for taking time out of his busy life to accompany the kids as coach. This was truly a trip of a lifetime for Jenna - she was able to play golf in an amazing tournament, meet great people and leave with lasting friendships and memories. I know that these kids will continue to correspond with each other, the Americans and Australians. Jenna is truly fortunate to have met all these amazing people. Again, many thanks for all your work in not only making this trip happen, but for all the golfing opportunities that you provide the kids through the MJT. J & P Roadley, Winnipeg, MB

To Dr. Bruce Fleming, College Golf support for the MJT: "I received a free phone consultation with you in October based on my membership in the Maple Leaf Junior Golf Tour up in Canada. Let me tell you, it changed my life.You really opened my eyes to the tremendous amount of opportunities available I could not be happier. Hello, I am just down in Bradenton Florida at the IMG academies now. I will be attending University of Texas El Paso next year... My golf game has been peaked and been improved a lot thanks to the maple leaf tour. I just also wanted to thank you guys for helping me get this far and I wouldn't be here as I am without the Maple Leaf tour. I will keep you guys updated once I'm in El paso. Thank you. J.K., BC

MJT is first class and then some!!! Best Regards, K.G., SK

Happy to support MJT, you guys do a great job, we appreciate it. R.S., MJT Sponsor, BMW Group Canada

Thank you for the check in, I really appreciate that. It shows me that this tour is really interested in the players interest, and that is really impressive to me. Thank you, J.K., AB

"Hi my name is Jordan Orth and I played the tour way back in the day probably 03-06 or so. Just thought I'd update you guys that I'm now on scholarship for golf at Southern Utah University Div 1. "We have enjoyed the tournaments that we have been able to send Jamie to.....Thank you for a great first experience to tournament golf with MJT this season."N.C., ON

"This season was particularly the most rewarding season I have had. In October I qualified for the Australian Srixon International Junior Classic, an experience that I will never forget. At the age of 16 I never thought I would have the opportunity to play in an international event and be able to represent my country. These accomplishments have really opened my eyes to the value of hard work and dedication and how rewarding it can be in just one season. I would like to thank the MJT committee and staff for organizing another great season of golf. I am also thankful for all of the sponsors that have supported the tour throughout the years, specifically Callaway Golf, Boston Pizza, Srixon, and Golf Town." A.L., AB

"We would just like to extend our sincere thanks for the efforts and dedication you all put into this program. Our son has grown up with this tour and I truly believe the pride we have in him as an individual and a golfer is a direct result of all of your efforts in striving for excellence and truly living up to your mission statement of "Developing champions, in golf and in life." We would like to especially thank Garth and Ed from the Manitoba group for their hard work and we are lucky to have them. Elaine you are simply the BEST! Vince in B.C. words cannot express our thanks for taking care of our son during his illness in Singapore! We truly mean these words and encourage any potential sponsors to give these MJT folks a good hard look as they truly are building the future for golf in Canada as well as developing some fine young ladies and men!" K, I & C.S. - MB

We just wanted to send a note to thank you and everyone else at MJT for a fantastic tournament in Phoenix last weekend. The tournament was very well organized (as usual) and the prizes were amazing for the kids. A job well done! We all had a wonderful time there.
K.R.&C.R., AB

I am very honoured to be receiving the \$1,000 MJT Cleveland Golf Canada Scholarship for 2010. I feel very blessed when I consider all the opportunities that now present me, and I am fully confident that I would not have gotten to this point without the tremendous benefits

provided to me by the Maple Leaf Tour. Thanks to everybody involved in the Maple Leaf Junior Golf Tour for creating and maintaining an exceptional junior golf circuit. I would like to personally thank Trent Matson and his family for all that they have done, organizing consistently solid tournaments on outstanding golf courses. I also wish to thank Don Dodman, President of Cleveland Golf/Srixon Canada, for his involvement in the Maple Leaf Tour. Ten years from now, I will look back on my junior golf career in Alberta and recall the countless fond memories associated with playing MJT events. To me, MJT is so much more than a provider of competitive golf events. MJT is showing up three hours early to each round to catch up with friends. MJT is spending an afternoon on lush green fairways with genuinely supportive people who are equally passionate about the game. MJT is staying at the course after the round, till long past dark, having one putting competition after another after another. MJT is travelling to Arizona, spending a weekend at one of the best golf resorts on the continent, and hanging out with my best friends. There is no denying that MJT is a close-knit community, to say the least, and I could not be happier to be a part of it. The friendly camaraderie on the Maple Leaf Tour is unmatched by any other golf tour. Currently, I am playing for the golf team at California Lutheran University and studying geology. I look forward to playing another season on the Maple Leaf Tour next year.D.F., AB

I just wanted to say thank you to the MJT for the \$300 scholarship towards my university tuition next year! This is very exciting and every dollar will count as the bills add up. I'm looking forward to the tour championships this month! Thank you for your time and the opportunity. Sincerely, D.R. AB

We at Grey Silo enjoyed having the MJT visit us again in 2010 and we hope everyone had a good time. What feedback I received was only positive. Regards, Gary Murr , General Manager - Director, Golf Operations, Grey Silo Golf Course

Also I would like to thank everyone involved with the Maple Leaf Tour. This is our first year involved and my son is really enjoying the experience. As a parent I'm also very impressed with the Maple Leaf Tour experience from the staff at each event and how organized they are and to all others that help to provide this Tour for the kids. Thank You! Regards, S.B., BC

My children participated in the free Ford junior clinic, and have been talking about it (and wearing their great new Richport Ford ballcaps!) ever since. It's obvious that a clinic of this calibre, does not happen without sponsorship and a great deal of organizing and support and I wanted to write and let you know just how much they enjoyed it. Also a big thank you to your golf pros/instructors who's love of the game, incredible talent and wonderful ability with the kids of all levels, was very apparent and appreciated. Thank you everybody, for a very memorable day and for planting the seed for what will hopefully be a lifelong love for a great outdoor sport. Yours truly, B. & C. B., BC

To whom it may concern: I have received the cheque for \$ 1000.00 for the MJT golf tournament won by my son, Louis. We wish to thank the tournament officials and organizers for a wonderful experience. Also, many thanks to Travel Underwriters for donating the prize money. Yours sincerely, J.T., ON

My son had a great time at Guelph, not a good score, nervous a bit, but I was so impressed at the players and the genuine passion from the people running the program...the parents I met were great and nothing but support for the kids...wow some great golfers....!!! BTW it was great as he was applauded for his first tourney when getting his draw prize....he came 7th.....but he won the Callaway Driver draw prize which was amazing.....as he now has my driver....very nice I have a new one for next year :)......And I met Dave Smallwood and please email him and let him know what a great job he did and really appreciated it!!!! or send me his email please and I can drop him a note. Thanks for your efforts, T.H., ON

A big thanks to you and the MJT selection committee for Derek's scholarship! He really appreciates the recognition and feels very honored to be chosen among such a talented group of golfers. He is really looking forward to attending university next year, and this will help him in this goal. Thanks again for this award – the MJT has been very good to Derek and our family

and we are so grateful! We are looking forward to the National Championship in Phoenix and hope to see you then! K. & C.R., AB

Just want to thank all involved in running the tour, from the guys on the ground at the events, and including the folks in the background who may go unnoticed. I had 2 boys play a few of the one day fall series events and even though the journey times were longer than their more local regional tour, the events were fun and properly run and a pleasure to play in. We will be planning to play many more events next season. Many thanks, again. D.M., ON

Unbelievable trip! Jeff did a great job with us. Made some great new friendships, saw Bondi beach which is about the neatest place i've ever been to and the golf tournament was an unforgettable experience. Truly wish I was still in OZ. It was great getting used to living without resources...ie no computer or cell phone as well as experiencing a more international way of life. It was a great learning experience to be outside my comfort zone on a large stage and seeing how the Canadian boys ranked against the rest of the world. I would definitely recommend this trip to whomever qualifies in the future. G.N., MB

I can't thank you enough for providing our son with the opportunities, the instructions, the encouragement, the discipline and the FUN during his trip. He came home with nothing but praise for "Coach" and truly enjoyed his time with you. I hope we have opportunity to meet one day so that can shake your hand and thank you for making a difference in a Junior golfers life. Our son beams every time he speaks of his trip and has nothing but positive, fun stories to tell. Truly it was a trip of a life time. Thanks for taking the time out of your busy life to mentor these boys. As a parent, I really do appreciate it! K.M., ON

I thought the clinic was great to introduce kids to the game and thanks to Ford for putting it on. The instructors did a wonderful job of keeping the kids focused and having fun. The more

opportunity to get kids involved in golf the better as it is a great game to teach them life long lessons. There is no game or sport like it! Thanks, W.C., B.C. - Golf Course Architect

I am writing to say a very big thank you to the Maple Leaf Golf Tour, Richport Ford Lincoln and the Beach Grove Golf Club for the Go Golf! junior clinic on August 28, 2010. My children participated in the event, and have been talking about it (and wearing their great new Richport Ford ballcaps!) ever since. It's obvious that a clinic of this calibre, does not happen without sponsorship and a great deal of organizing and support and I wanted to write and let you know just how much they enjoyed it. Also a big thank you to your golf pros/instructors who's love of the game, incredible talent and wonderful ability with the kids of all levels, was very apparent and appreciated. Thank you everybody, for a very memorable day and for planting the seed for what will hopefully be a lifelong love for a great outdoor sport. Yours truly, B.B & C.B, BC

Thank you very much for the opportunity for our kids to try golf. They had never golfed before (mini golf only) and had a great time - they now want to go to the driving range. I thought it was very well organized and well run, for the kids it was fun way to learn a new thing. L.F. BC

Thank you once again for your wonderful generosity in sponsoring Derek to the FCWT National Championship in Florida last month. What an amazing opportunity for him! He traveled with his dad and felt extremely fortunate to be playing at the PGA National on an very challenging course against competitors from around the world. Derek commented that the back nine on the championship course was the toughest nine he has ever played – great experience for him. Thanks again – the MJT has always been a wonderful supporter of young golfers like Derek in providing opportunities for the chance to play international events. When younger players ask us what tour to play in Alberta, we always tell them that the MJT is the best by far! Sincerely, K.R & C.R., AB

This is Mitchell Lock. I would like to say thank you on behalf of myself and our team for your very generous donation to our program. As a small school there isn't a lot of money for all of the sports programs and the golf team often falls to the wayside. We have to constantly fundraise so that we can go on trips and play in tournaments that the school hasn't budgeted in for us. Your generous contribution will go a long way and we greatly appreciate it! Thank You, M.L. UFV Cascades Golf Team, BC

Once again, thank you, and everyone at MJT for all that you do for junior golf. Thea has developed a lifelong love of the game thanks to MJT and organizations like yours that dedicate themselves to bringing out the best in young competitors. P.S.,SK

Rebel Creek was very well run two day event despite the weather, we have played in a lot of junior tours in the States and this was by far the nicest. The people were great, the prizes were so good, especially having door or draw prizes; her daughter shot 108 but walked away with a backpack and was over the moon. J.T., FL, USA

Gregory had a fantastic time at Hazelmere, loved meeting new friends, prizes and pizza were awesome! Very professional and very impressed! L.G., WA, USA

"We always promote the MJT because we were very fortunate to be part of your program. It really helped Adrian. Everybody looks forward to the MJT events as they are so professionally run and a fun time. Keep doing what you're doing – we appreciate what you've done for junior golf."B.K., MB

A sincere thank you to all who worked on this tournament to deliver another amazing event. The tournament was very well organized, the course and resort were wonderful, and the food and weather complemented everything very well. Thanks to each and every one of you for your efforts..... I hope all of you had a moment to enjoy that spectacular area. We hope you will consider rebooking for next year!! Best Regards, M., B., R. and W. F., AB

On behalf of Eric and I, please let everyone know at MJT that it has been a very rewarding experience being part of the Maple Leaf Tour. Eric has certainly made many new friends and will always cherish those friendships and the many wonderful memories that he has created over the last three years. This tour is extremely well run, giving all the kids guidance, knowledge and a "pat on the back" or "chin up" when needed along with many great opportunities to travel to faraway places to compete in tournaments they could have only dreamed of. Certainly in Eric's case with issues like allergies, cracked ribs and a broken wrist, the compassion and empathy shown this past year has been greatly appreciated in which we both thank you from the bottom of our hearts. A special thanks to Dave Smallwood and Mike Skimson for encouraging Eric over the past three years. You guys are the best!! We will truly miss MJT immensely but we will certainly campaign and encourage other young golfers to join the tour. Have a wonderful Christmas and Prosperous New Year. God Bless.C.D., ON.

Please pass our thanks on to everyone involved for a great season with the MJT tour. As usual the MJT provided a great experience for our son this year – terrific venues, great competition, and professionally run tournaments. The national championship at Wigwam Resort in Phoenix, Arizona was the icing on the cake!! What a great place to hold the season finale – we hope that next year's championship is held there again (we think that golfing in the hot Arizona sun in November is a great motivator for these kids!). Thanks again! You all do a great job in promoting the sport for these young golfers. Enjoy your off season! Sincerely, K.R.,AB.

I just want to thank you for setting this amazing trip for us (to the Singha Thailand Junior World Golf Championship). It was an amazing experience that we will never forget and I couldn't ask for any better. Everything was just perfect. The food to the golf course and just somewhere I believe everyone's got to go at least once. Vince was a very good captain and because of him

he made the trip so much better. Once again thank you and I will send you some pictures very shortly. J. K., BC.

We would just like to say thank you again to everyone @ MJT. The Arizona trip was absolutely amazing. Everything was so well organized and the people wonderful. It was nice to put faces to names. Trent, Elaine, Dave it was a nice surprise. Gary had a great time, as did I. This was a year I am sure Kody will never forget. He has made some friendships which we hope can carrying on for years to come. Keep up the great work. Looking forward to another successful year in 2010. D.F., ON

THANKS AGAIN TO ALL AT MJT YOU ARE SUCH A BIG POSITIVE IN MY SON'S LIFE! M.O., AB

A special thank you to the Manitoba Directors and support staff lead by Derek, Garth and Ed. You guys are awesome! Our son is better young man under your guidance and leadership. In every event we went to there was nothing but a positive caring environment which we appreciated and sets a role model for our children to aspire to. We would like to thank your sponsors for supporting you all as we realize that these events cannot happen without them. K.S., MB

Thank you so much for the opportunity to travel to Australia. It was such an awesome experience! I really enjoyed the time we had to tour around and see the different attractions that Sydney had to offer. Jeff Chambers was an excellent coach/chaperone and I was proud to be part of the team. The experience I gained in international competition was awesome. Meeting players from Australia and South Africa was definitely a highlight. It would have been great to have more opportunity to look around and take it all in. For future trips it would be a huge benefit to have a means of transportation for the Canadian team. This would allow more freedom before and after our rounds, even to find alternate practice facilities. The Maple Leaf

Junior Tour has given me many opportunities and I am glad to be part of a great organization.
S.S., AB

Thank-you for the opportunity to play in Australia at the Jack Newton International. I look forward to going again next year !!!! I would like to thank Jeff and everyone at MJT for making this trip possible. It was a great experience meeting new people at an interesting Golf Course. As well as playing in challenging weather conditions, hail, rain, 90 km winds! I would definitely like to see this Tournament in future qualifying MJT events. A special thank-you to Jeff for chaperoning us on this long distance trip and putting up with all of us. J.O., BC

I just wanted to say thanks for the awesome opportunity to go to Australia! It was a really great trip! Thanks for all the organizing and everything you guys did so that we could go I know it was a lot of work. Everything ran really smoothly and I thought Jeff did an awesome job of coaching and keeping us in order. The team was really great and again the opportunity and experience, it was something I won't forget. So thank you so much! K.J., SK

I would like to thank MJT sponsor, Dan Dodman, President of Cleveland Golf / Srixon Canada for giving me a set of quality irons, it is a very generous gift. I really appreciate it as it is by far the best present I have received in golf. Winning the Player of the Year Award is an honour and I thank you for supporting junior golf and the MJT. Yours Sincerely, P.M., AB

Thank you Cleveland Golf very much for sponsoring the MJT for all these years and for the amazing set of irons that you have given me. I have played on the MJT for four years now and Cleveland has sponsored them every year with great golf equipment and apparel. I appreciate your commitment to the MJT and junior golf greatly and I'm sure many other juniors do as well. I am honored to receive these irons from you and I hope this can take my game to the next level! Thank you very much, D.B., AB

My son has enjoyed playing in the MJT Tournaments a lot and we both agree that they are extremely well run and organized. Kindest Regards, L.B.,ON

I just want to say thank you for your hard work. I'm sure the committee had it hard with the heat and also organizing the Northview tournament. Thank you for all your hard work, I really appreciate. J.A.,BC

Thanks for all that you guys do, the MJT is a great organization and she really enjoys being part of it. J.R.,BC

The East Aurora tournament was absolutely awesome. His billets and everything about the tourney were great. The organizers really did a great job from free buffets, banquet, and even a side trip to a hat factory. The format of the tournament was pretty cool having both stroke play and match play, made for some close competition. S.W, AB

I'm sure all parents will share my sincerest appreciation for taking care of our boys - and giving them an experience of a lifetime. Job very well done. Thanks a million. J.P.,NS

I would just like to thank you and everyone at MJT for the wonderful opportunity presented to our son on this trip. He hasn't stopped talking since he got home. D.F.,ON

I want to first off thank you as well as the MJT for the fantastic tournaments put on across Canada. They are all awesome! B. M., SK

I want to thank Richport Ford and the Maple Leaf Junior Golf Tour for offering the free golf clinic this past weekend at Mayfair Lakes. It seemed to be well organized, and my two kids had a blast. They were even teaching their dad a few things about golf that evening. What a wonderful opportunity for children to try golf at no expense. If you're planning on having another clinic, I'll be sure to let my friends know. T.C.,Delta,BC

Just a quick note to say thanks to Trent and the team for the hard work at Land O Lakes. My daughter had fun. G.M.,AB

Thanks again! We have heard great things about your tour and our son is looking forward to participating in some of your events this year!
J.L., Ontario

Thanks for all you do to make this a SPECTACULAR Junior Golf Tour! G.C., Digby,NS

Our family recognize the incredible support you and the entire MJT team have given us in the past. You provided an environment where our son - and all the juniors - could learn, develop and establish habits that will serve them well all their lives. I still remember our son's first "real tournament" an MJT event at the age of 11...think he wanted to quit at least once every day over the weekend...but he persevered - which speaks as much to me about Maple Leaf - as it does the player. Today our son is 4 months away from graduating at West Vancouver Secondary - and after reviewing several University scholarship offers, he has decided to accept the offer made by U.B.C. where he is very excited about the coaching staff, the team and of course attending the great academic institution for which U.B.C. is recognized. This is just a small way for us to extend our sincere thanks for all you have done for junior golf and best wishes for continued success. K.H., Vancouver

What a turn out!!! The kids had an excellent time at the Jr. golf clinic I have kids already wanting to sign up for next year. I had a huge response from the parents that they were very impressed with how well it was organized. J.G., Dearborn Ford, Nanaimo, BC

This may be late, so we apologize for that, but thank you so much for going with the boys to China. My what an experience that was, and how lucky the kids were to have you there with them. Thank you for having the gumption to do it! We are grateful and still loving the photographs and memories that our son shares with us. You deserve a lot of credit. M.F., Alberta

Just want to say that my son entered his first MJT tournament this past weekend and had such a good time. We both felt it was highly professional and extremely well organized. He can't wait for his next one at the end of the month. Please pass on our thanks to everyone involved. It is really pushing his game to another level, moving him out of his comfort zone. Thanks for the opportunity. J.L., Sunshine Coast

Our son has participated in the MJT Odlum Brown Classic Tournament in Northview, B.C. in July this year. We are of the view that the MJT tournaments are very well organized and they are enjoyed by all those juniors who participated in them. Our view is shared by many of the parents whom we spoke with at the different tournaments. May I congratulate you on your outstanding organization of the tournaments and thank all the staffs and volunteers who help out at these tournaments! Please pass along our appreciation to the sponsors as well for their kind support. E.C., Vancouver

Please accept a huge thank you from my entire family and especially me! The China trip was just an unbelievable experience and to have that possibility while enjoying well run tournaments is really fortunate. Thanks again for this opportunity. R.F., Alberta

I am thankful that our son was able to qualify to participate on Team Canada and this opportunity has provided our son with a golfing experience he will never forget. Participating on this trip to China has opened the world to our young junior golfers. It has shown them that they can seize many opportunities that are available and there are no limits on what they can do or who they can become. Congratulations to the players on team Canada, China and to the MJT for its support and for making this trip possible. C.M., Manitoba

Thanks so much to all of the staff at Maple Leaf Junior Tour. Your support financially and personally for the players at the Can-USA match was very much appreciated. They had a wonderful time and an experience of a lifetime. C.C., Ontario

Many thanks for running such a quality program. Looking forward to next season. G. C., Nova Scotia

I would like to thank you for awarding me the 2008 MJT Cleveland Golf Canada Scholarship of \$1000. I have been playing on the Maple Leaf Junior Golf Tour since I was 13 and always looked forward to it each and every year. MJT has helped me develop into the golfer and person I am today. While playing on this tour, I gained more experience than I could ever imagine, and doing so against some of the best juniors in my province and in Canada. C.T., Alberta

The Burgess family can't thank you enough for giving our son this opportunity to go to China. The MJT and their support of Junior Golf is fantastic. Thank you for absorbing his entry fees, it is most appreciated. Again, thanks for everything. H.B., Ontario

Just want to express my thanks to Dave and Mike and the rest of the team for all of your hard work this season. My son enjoyed the competition the camaraderie and the courses. We enjoyed getting out to different courses and making a weekend out of it when we could. B. E., Ontario

I would like to thank MJT and Cleveland Golf for their continued sponsorship and contributions to junior golf. I am very honoured to have received the runner-up scholarship that these two groups have awarded me. The commitment of both MJT and Cleveland have given many young golfers an opportunity to compete at very well organized and competitive events. More importantly these tournaments have given us all a chance to develop friendships with many golfers that we may not have had the opportunity to play against. E.A., Alberta

Wanted to drop a quick note to say how impressed we were this last weekend attending one of your tournaments at Whistle Bear. It was extremely well run and the staff that put it on were just fabulous with the players. My daughter had a great time and is looking forward to attending more tournaments on the MJT in 2009. C.S., Ontario

Just want to express my thanks to Dave Smallwood and Mike Skimson and the rest of the team for all of your hard work this season. Our son enjoyed the competition, the camaraderie and the courses. My wife and I also enjoyed getting out to different courses and making a weekend out of it when we could. B.E., Orangeville, Ontario

I just wanted to let you know the golf clinic was a huge success. I have had so many parents call and ask me about next year. The kids had a great time and you all were so fun to work with. I so enjoyed myself and would love to do it again. Thank you again for the wonderful time. J.G., Dearborn Ford, Nanaimo, British Columbia

Even though I haven't had the opportunity to play in many MJT tournaments this year, I thought I would take this opportunity to let you know how much the MJT has meant to me and my golf career. As you know, this year, I have played in China, the FCWT National Championship, a variety of invitational tournaments throughout the U.S. and in virtually every province in Canada. As a result of my busy golf schedule I was only available to play in one MJT tournament this year. But I want you to know that without a doubt, it was the Maple Leaf Golf Tour that prepared me to be able to compete at a national level in junior golf. Thanks again for all your help and guidance, what you provide to junior golfers is more than just golf tournaments. M.H., West Vancouver, British Columbia

After the great success this week we are looking forward to the Calgary event. Norm Dutcher,

First of all I would like to thank the MJT for providing me with such a great opportunity to play in such an excellent event. The Junior Masters was definitely one of the finest international tournaments I have ever played in, and it was really a privilege. It was a great tournament, run by great people, and there was definitely some stellar golf being played. The course was beautiful and the members treated everybody with respect, as well as taking time to volunteer for the tournament (which I really appreciated). I look forward to playing in some more MJT tournaments to try and qualify for some of the many other events offered. So once again I thank the MJT for the opportunity, and look forward to competing in future events. J.O.,
Winona, Ontario

Thank you for allowing our son to play for Team Canada at the World Youth Team Challenge. It is a very unique tournament, challenge and fun. It is so great to see he made lots of friends during the four days play. W.L., Westmount, Illinois
